The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

In 2022-23, the Council made payments totalling £ _____ under section 137. These payments are included within 'Other payments' in the Accounting Statement.

Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **St Florence Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

In my opinion, the Accounting Statement does not properly present the Council's receipts and payments and financial position:

- The Council's accounting statement consolidates the transactions from both the Community account and the Village Hall account.
- The Accounting Statement is headed as being the Accounting Statement for the 'St Florence Community Council – Community and Village Hall accounts combined'. The Council owns and operates the Village Hall, then the Village Hall accounts are an integral part of the Council's accounts. The accounts are for the Community Council and should not be described otherwise.
- The Accounting Statement contains:
 - Receipts and payments from both accounts and
 - Transfers between the two accounts of £1,300 in 2022-23 and £64,085 in 2021-22
- Therefore, the Accounting Statement has not been prepared in accordance with proper accounting practice:
 - Because the Council is consolidating the receipts and payments from both accounts, then the transfers between the accounts are internal transfers and should not be included in the Accounting Statement. This means lines 3 and 6 are overstated by £1,300 (2022-23) and £64,085 (2021-22).
 - In addition, the Council has reported unrepresented cheques as creditors for the 2021-22 financial year

Annual Governance Statement

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's internal controls and governance arrangements for the year:

- Although the Council did not pay members allowances in the year, it was required to make a Nil return to the IRPW. The Council did not provide evidence that it made such a return.

Other matters and recommendations

There are no further matters I wish to draw to the Council's attention.
